STATEMENT BY FIRM Kappa Mapping, Inc. provides high-quality, photogrammetric and GIS services that help our clients solve complex problems, monitor important resources, and better manage their communities. From digital orthophotography of a highway interchange to intricate photogrammetric and contour mapping for a flood control project, Kappa is known for excellence in all areas of aerial imagery and mapping, softcopy photogrammetry, digital orthophotography, and GIS. We stay on the cutting edge of technology through ongoing training and by consistently taking on and meeting new challenges. KAPPA Mapping, Inc. is a woman-owned business and is certified with Maine DOT's Disadvantaged Business Enterprise (DBE) program and has ASPRS Certified Photogrammetrists on staff. Whether you're an architect, engineer, surveyor, developer, airport planner, or part of a utility firm, municipality, or government agency, let us help you observe, record, and analyze the world around you.
